How to access the CT CCS Algebra I resources:

1. Open a web browser and navigate to:

http://tinyurl.com/cthssmoodle

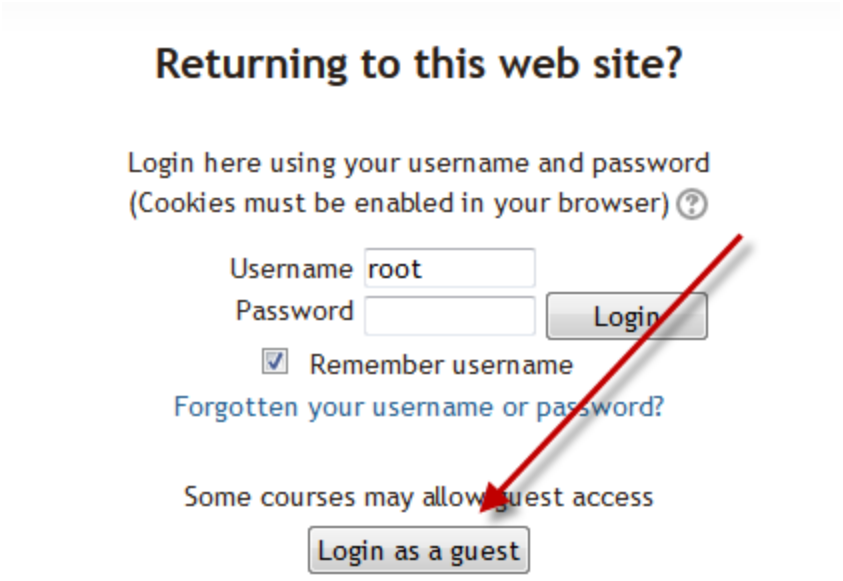
Once you have arrived at the launch page navigate through the following:

2. Choose CSDE from the course categories (left hand side of the browser – middle of the browser window)

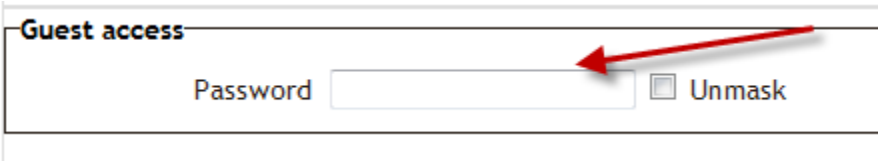
3. Select Mathematics from the sub categories

4. Select the top listing CT CCS Algebra 1-Public course

5. When prompted for a username – select “log in as guest”



You are prompted for a password to enter the secure area- enter **csde**



You will now see all of the materials you need.
