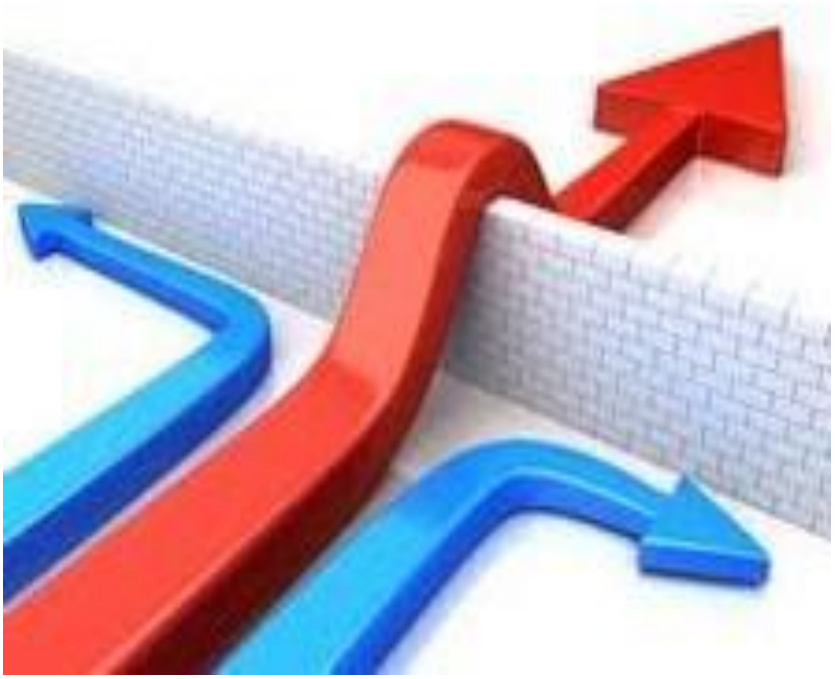
Directory of Transition/Vocational Service Providers



Bureau of Special Education

Connecticut State Department of Education

Rev. October 2014

In order to be recognized by the Connecticut State Department of Education (CSDE), Bureau of Special Education (BSE) as a "Transition/Vocational Service Provider", the following criteria must be met by each organization/provider:

1) Meets ALL of the following criteria:

- Serves students 18-21 years old who have completed academic credits toward a regular High School diploma, OR serves students younger than 18 as a related service on an individualized education program (IEP).
- Offers transition/vocational services and these services *may* include functional academics. (Note that these providers are not approved to provide academic credit toward a regular high school diploma).
- Holds a current and valid contract as a vendor for the CT Bureau of Education and Services for the Blind (BESB) or the CT Bureau of Rehabilitation Services (BRS) or the CT Department of Developmental Services (DDS).

AND

2) Meets AT LEAST ONE of the following criteria:

- Serves as a private vendor/contractor to a public school district for transition/vocational services.
- Is a district-operated transition/vocational program located in a community setting (e.g., college/university campus, hospital, apartment/house).
- Is a district-operated transition/vocational program that does not have a permanent physical location, but instead transports students to and from transition/vocational service sites on a weekly schedule.

NOTE: Please report any changes in contact information to jay.brown@ct.gov.
