

Professional Development Seminar

“Implementing Positive Choices: Practical Strategies for Educators and Clinicians”

Presented by: Lucille Duguay, LCSW, Program Author

Friday, January 21, 2011

The NEAT Center at Oak Hill, 33 Coventry Street, Hartford, CT 06112

Description: *Positive Choices* is an innovative program designed to increase judgment about healthy relationships, sexuality, and safe boundaries for secondary students with intellectual and developmental disabilities. This seminar introduces the audience to best practices for the implementation of *Positive Choices*, and provides opportunity for rehearsal of teaching strategies.

OBJECTIVES

Participants will:

- ✓ Explain the rationale and overarching goals of the Positive Choices program.
- ✓ Discuss best teaching practices that will enhance learning about healthy relationships and sexuality for students with specialized learning needs.
- ✓ Apply the concepts and strategies of Positive Choices to their own practice milieu.

SCHEDULE

9:00 AM to 10:30 AM

- Introduction, objectives, and rationale for implementation of a program on healthy relationships and sexual expression for students with specialized learning needs
- Overarching goals of the Positive Choices program

10:45 AM to Noon

- Discussion of best teaching practices
- Overview of Positive Choices concepts and materials

1 PM to 2:15 PM

- Rehearsal of teaching strategies

2:30 PM to 3:00 PM

- Strengths and challenges related to implementation in your setting
