SUBJECT: Operational Memorandum #24-07
I. National School Lunch Program (NSLP) Reimbursement and
Commodity Food Administrative Fee Charges
II. National Attendance Factor

- I. Payments due to the Department of Administrative Services (DAS) administrative fees, related to receipt of commodity foods, have been subtracted from the November 2006 NSLP reimbursement checks. The attached report provides a breakdown of: 1) the calculated NSLP reimbursement payment due for that month, 2) the amounts billed by DAS, and 3) the adjusted payment and/or the unadjusted amount that will be subtracted from subsequent NSLP reimbursement checks. This information is provided for accounting purposes and will be posted on the Connecticut State Department of Education website along with this memorandum at <http://www.sde.ct.gov/sde/cwp/view.asp?a=2626&q=320676>.

Questions regarding the amount billed by DAS, should be directed to the DAS office at (860) 713-5263. Questions regarding the calculated NSLP reimbursement amounts may be directed to Avis Kelly in the Child Nutrition Unit at (860) 807-2078.

- II. Based on the latest school enrollment and attendance figures from the U.S. Department of Education, the United States Department of Agriculture has updated the national average daily attendance factor. For school year 2007-2008, the attendance factor is **93.5** percent. This factor is calculated by dividing the total national average daily attendance by the total enrollment for the year. When completing the Edit Check Worksheets, sponsors may choose to use this updated percentage as the attendance factor for each school.
