SUBJECT: Operational Memorandum #15-08
School Lunch State Match Final Payments

Final State Match payments have been processed and transmitted. The rate of reimbursement for this year's school lunch payments was established at 4.534231 cents. This amount was determined by dividing the total grant of \$2,354,000 by the number of lunches served in the state during fiscal year 2006-2007. The number of lunches served was 51, 916,190.

The final payment for individual sponsors was determined by multiplying the total number of lunches claimed by the sponsor in fiscal year 2006-2007 times the established rate (4.534231 cents), rounding the result and subtracting it from the State Match advance payment paid in the fall of 2007.

A list of the final calculations for each district or school is attached. The Special Identification code on the checks for both the advance and final payments was #16072.
