**SUBJECT: Operational Memorandum #12-09**  
State Match Advance Payments

Final State Match payments have been processed and transmitted. The rate of reimbursement for this year's school lunch payments was established at 4.530109 cents. This amount was determined by dividing the total grant of \$2,354,000 by the number of lunches served in the state during fiscal year 2007-2008. The number of lunches served was 51, 963,440. The final payment for individual sponsors was determined by multiplying the total number of lunches claimed by the sponsor in fiscal year 2007-2008 times the established rate (4.530109 cents), rounding the result and subtracting it from the State Match advance payment paid in the fall of 2008.

A list of the final calculations for each district or school is an attachment in this e-mail. The Special Identification code on the checks for both the advance and final payments was #16072.
