2011 Survey of Graduates or Exiters of Connecticut High Schools

This survey asks questions about what you have been doing since you left high school. Your former school will NOT know the names of the students who respond. We will combine your answers with the answers from your classmates to let your school know how well they prepared you for your future. Your school will use this as a way to grade themselves on how well they are preparing students for life after high school.

Please complete the survey and return to us in the enclosed, pre-paid envelope. Someone who knows you well can help you complete it. Fill in the circle next to your answer.
