

(Design Professional Letterhead)

Date: _____

Bureau of School Facilities
State Department of Education
165 Capitol Avenue, Room 258
Hartford, CT 06106

Subject: Flood Management Certification Notice
Facility Name: _____
State Project No.: _____

I, the undersigned, certify that I have 1) made a reasonable investigation of the requirements of Section 25-68 of the Connecticut General Statutes; 2) made an inquiry of the (town) agency responsible for Inland Wetlands and Watercourses; and 3) reviewed the current applicable maps published from the National Flood Insurance Program.

This site is not owned or controlled by the State, and this project contains no actions or critical activity within a floodplain. Further, this project does not impact flood plains, either on-site or off-site.

Therefore, based upon the above criteria, Flood Management Certification is not required for the above noted project, and no application will be made to the State Department of Environmental Protection.

OR

This site is owned or controlled by the State, and/or this project contains actions or critical activity within a floodplain and impacts flood plains, either on-site or off-site.

Therefore, based upon the above criteria, Flood Management Certification is required for the above noted project, and on behalf of the State Department of Education as the "applicant", we will be pursuing this approval with the State Department of Environmental Protection, Inland Water Resources Division.
