# ABOUT THE PARAPRO ASSESSMENT

---

The ETS ParaPro Assessment was developed in response to the federal *No Child Left Behind Act*, which was signed into law by President Bush in January 2002. Effective January 8, 2002, the law requires that paraprofessionals serving in an instructional capacity satisfy one of the following:

- ▶ An associate of arts degree OR
- ▶ Two years of college OR
- ▶ Demonstrate, through a state or local academic assessment, knowledge of, and the ability to assist in, the instruction of reading, writing, and math

The choice of test(s) to satisfy the third option is left to the discretion of states and districts.

The ParaPro Assessment measures prospective and practicing paraprofessionals' skills and knowledge in reading, mathematics, and writing, as well as the ability to apply those skills and knowledge to assist in classroom instruction.

The Assessment is available in paper-based and Internet-based formats. Please note: the ParaPro Assessment is administered in English only.

## How the Assessment Was Developed

The ParaPro Assessment reflects the most current research and the professional judgment and experience of educators across the country. The 2½ hour test was developed with the assistance of an advisory committee composed of paraprofessionals and teachers who work with paraprofessionals. A thorough job analysis was conducted to determine what knowledge and skills in the areas of reading, writing, and mathematics—and instructional assistance in these areas—are important for paraprofessionals.

Each edition of the test is reviewed for accuracy, fairness, and relevance many times during its development. After the test is administered, but before scores are released, each question undergoes rigorous statistical analysis to confirm that it is accurate, comparable to previous tests, and fair to subgroups of test takers. These procedures meet and exceed the exacting standards of the professional measurement community and ETS's own Standards for Quality and Fairness.

The ParaPro Assessment is reviewed and updated on an ongoing basis to confirm that it provides the valid, reliable information states and districts need to meet legislative mandates.

## Establishing Qualifying (Passing) Scores

ETS does not set qualifying (passing) scores for the ParaPro Assessment. Each agency (state, district, or other institution) that elects to use the Assessment for purposes of qualifying paraprofessionals is responsible for establishing its own qualifying (passing) score. ETS offers to work with agencies to conduct passing score studies in accordance with recommended professional practices, as described, for example, in the *ETS Standards for Quality and Fairness* and the *Standards for Educational and Psychological Testing*, developed jointly by the AERA, APA, and NCME. ETS's agreement with agencies using the ParaPro Assessment for purposes of fulfilling the *No Child Left Behind Act* is that scores from the assessment not be the sole criterion for decisions reached by the agency.

### MONDAY TESTING

Monday testing will be arranged only for those whose religious convictions prevent them from testing on Saturday or those who are members of the U.S. armed forces and have duties which prevent them from testing on Saturday. Mail your registration form, fees, and either a letter signed by your cleric on letterhead stationery confirming your affiliation with a recognized religious body whose convictions prevent you from testing on a Saturday, or a copy of your military duties. Your registration must be received by the Monday registration deadline on the back cover of this *Bulletin*. Leave the code number blank in the Test Center section on the registration form, but indicate the city and state where you wish to test. You will be assigned to the closest available center within 125 miles of locations that are scheduled for Saturday test dates.

### IF YOUR PRIMARY LANGUAGE IS NOT ENGLISH (PLNE)

Nonstandard test accommodations (extended testing time) may be available for test takers whose primary language is not English. Test takers who meet ETS requirements will be allowed 50 percent additional testing time.

**Because of the time needed to review documentation and limited space and test materials at the test center, test center changes are NOT available for PLNE accommodations.**

#### **How to Register for PLNE**

Your request must include the following:

1. A completed Certification of Documentation form (*page 14*). The Program has the right to request further verification, if needed, of the professional's credentials and expertise relevant to the Certification of Documentation form. An embossed school seal must be affixed over the signature on the Certification of Documentation form or the signature must be notarized.
2. A completed Eligibility Form for test takers whose primary language is not English (*page 15*). **It is necessary to complete this form each time you register for these accommodations.**
3. A completed registration form and appropriate fees.

All materials must be submitted together and received at ETS by the LATE registration deadline listed on the registration calendar on the back cover of this *Bulletin*. Requests received at ETS after these dates, incomplete requests, and requests received on outdated forms will be returned to you unprocessed. All documentation must be approved before the test administration date. The Program will make every effort to evaluate all requests in a timely manner. If further verification of the professional's credentials and expertise relevant to the documentation submitted is needed, it is possible that testing will be delayed until the next applicable test date. Because of ETS's need to review documentation in order to provide accommodations, all test takers must register through ETS.

#### **Special Instructions for Completing the Registration Form**

Refer to the registration calendar on the back cover of this *Bulletin* to select your test date, and check this date on your registration form. **You may register only for a PLNE test date. PLNE is offered on the following test dates: September 12, 2009; January 9, 2010; and June 12, 2010.**

Using the PLNE Test Center List on *page 16*, write the test center code, name, and location in the Test Center section of the registration form. **Please note that PLNE testing is not offered at all test centers.** All documents must be sent together in an envelope to ETS—ParaPro Assessment, PO Box 382065, Pittsburgh, PA 15251-8065.

## REGISTRATION INFORMATION *(continued)*

ETS recognizes the right of individuals to confidentiality with regard to documentation supplied by and about them that may be stored in files held by ETS and the concomitant responsibility of ETS to safeguard information in its files from unauthorized disclosure.

### Reregistration

If you have previously registered and your request for accommodations has been approved by ETS, you may request the same testing accommodations for subsequent test dates. **To reregister, submit a completed Eligibility Form (page 15) indicating your candidate ID number and the test date for which documentation was approved and on file at ETS, a registration form, and appropriate fees by the registration closing dates.**

### TESTING OUTSIDE THE UNITED STATES

Testing outside the United States is available only if you need to take a test to be eligible for employment in the United States.

- ▶ To request a test center other than one of those listed on pages 17–19, submit a letter with your registration form specifying the reason you need to take the test and agency requiring the scores.
- ▶ On the registration form, fill in the test date you want. Leave the line provided for a test center name blank and write on the line below the city and country most convenient to you.
- ▶ ETS must receive all materials by the deadline for requesting centers outside the United States and U.S. Territories (*see back cover*).

### CHANGING YOUR TEST CENTER OR TEST DATE

**Fee: \$45**

If you wish to change your test center, call ETS by the **LATE** registration deadline listed on the back cover of this *Bulletin*. Test date change requests must be received **no later than three full days** prior to your test date. You can also download a Test Center and Date Change Request form at [www.ets.org/parapro](http://www.ets.org/parapro) and mail it to ETS along with the fee. If you registered for PLNE accommodations, you may not change your test center.

If you are unable to request a center or test change before the actual test date, you may go to your preferred site on the test day and make a request. If possible, you will be accommodated. However, if you wait until the test day, **we cannot guarantee** that your request can be met.

### File Corrections

**Fee: \$40**

After the test administration, score reports requiring corrections for date of birth, social security number, spelling of name, or other information will require file corrections. As a part of this service, you may have your scores sent to one institution or agency.

- ▶ You may not change your name on the file, only correct the spelling.
- ▶ If an adjustment to your social security number is required, please include a clear copy of your social security card. You may not change your social security number on file, only make corrections.

### Test Retake Policy

ETS does not limit the number of times you can retake the ParaPro Assessment; some states, associations, and institutions, however, may limit the number of times you can retest.

## ON THE TEST DAY

### Identification (ID) Requirements

The identification (ID) requirements in this section must be read by all test takers. It is your responsibility to ensure that your ID documents are up-to-date and available on the day of the test.

**Your ID requirements depend on your country of citizenship and where you plan to test. Please read the specific information below for acceptable primary and supplemental ID documents.**

- ▶ You must have **acceptable** and **valid ID** with your **name, signature,** and **photograph** to be admitted to a test center. ID requirements are strictly enforced.
- ▶ It is your responsibility to read and understand the ID requirements. It is not the responsibility of the registration or test center to relay these policies to you.
- ▶ The **photograph** on your ID document must be **recent** and **recognizable**.
- ▶ The **ID** must be **current** (not expired).
- ▶ All documents must be originals; copies are not acceptable.
- ▶ If you arrive at the test center without the required ID, you will not be permitted to test and you will forfeit your test fees.

### When You Register

- ▶ You must use the exact name and spelling of that name as shown on the primary ID document that you will present at the test center. If the name shown on your primary ID does not match the name on your registration record, you will not be permitted to test and a refund will not be issued. You will have to register again and pay another test fee.
- ▶ Be sure to provide your entire first name (given name) and your entire last name (family name). Do not register under a nickname. If your ID document contains two last names, enter the names exactly as they appear on your ID. If you register by phone, please make sure you are registered under your complete name as it appears on your ID.

### At The Test Center

- ▶ Only misspellings of your name can be corrected at the test center—**NAME CHANGES WILL NOT BE MADE**. If your name has changed for any reason, including marriage, you still must present primary ID in the name under which you registered, or you will not be permitted to test. Marriage certificates and divorce decrees cannot be used to confirm name differences. **Please do not bring these documents to the test center.**
- ▶ If the first name on your primary ID document contains only a first initial, a supplemental ID containing your entire first name must be presented.
- ▶ If your ID does not contain your signature, either sign your ID document or present a supplemental ID that includes your signature.

## ON THE TEST DAY *(continued)*

- ▶ If test center personnel question the ID document you present, you will be required to provide a second proof of identity. If positive confirmation cannot be made, you may be refused admission to the test center and you will forfeit your test fees.
- ▶ Test center personnel will check your ID before assigning you a seat at the test center and you may be asked to sign the test center log. The test administrator will check your name, signature, and photograph to verify that you are the person in your ID document(s). This procedure will be repeated before and after all breaks.
- ▶ Admittance to the test center does not imply that your form of ID is valid or that your scores will be reported. All reported cases of questionable ID are subject to review and approval by the ETS Office of Testing Integrity either during or after the test administration. ETS reserves the right to withhold and/or cancel scores in the event the ID requirements set forth herein are not met.
- ▶ Test centers are not required to hold your seat if you leave the center to obtain acceptable ID.

### **Acceptable Primary ID Documents**

### Test Center Procedures and Regulations

#### ON THE TEST DAY

- ▶ Dress so that you can adapt to any room temperature.
- ▶ Test centers do not have large waiting areas. Friends or relatives who accompany you to the test center will not be permitted to wait in the test center or be in contact with you while you are taking the test. Except for ETS-authorized observers, visitors are not permitted in the testing room while testing is in progress.
- ▶ ID verification at the test center may include thumb printing, photographing, videotaping, or some other form of electronic ID confirmation. If you refuse to participate, you will not be permitted to test and you will forfeit your registration and test fees. This is in addition to the requirement that you must present acceptable and valid identification.
- ▶ Other than ID, personal items are not allowed in the testing room. This includes cell phones, PDAs, BlackBerry® devices, any other electronic or photographic devices, handbags, and study materials. Before the test, you will be assigned a locker or receive instructions from test center personnel regarding where you must store personal items. You may also be asked to empty your pockets. Storage space is limited, so plan accordingly. You may not have access to your personal items during the test or break. Not following any of these may result in you being dismissed from testing and/or your scores may be canceled.
- ▶ Test centers assume no responsibility for personal items or devices that you choose to bring into the test center.
- ▶ The test administrator will assign you a seat.
- ▶ On occasion, weather conditions or other circumstances beyond the test administrator's or ETS's control may require a delayed start or the rescheduling of your test.

#### DURING THE ASSESSMENT

The following procedures and regulations apply during the entire test session, which begins when you are admitted to the test center, ends when you leave the test center, and includes breaks.

- ▶ Test administrators will not honor requests for schedule changes.
- ▶ Take your admission ticket and photo ID to the test center.
- ▶ Take 3 or 4 sharpened soft-lead (No. 2 or HB) pencils, a good eraser, and a blue or black pen. **Mechanical pencils or pens cannot be used.** Pencils, erasers, and pens will not be supplied at the center.
- ▶ No test taker will be admitted after test materials have been distributed.
- ▶ Paper of any kind is not permitted in the testing room.
- ▶ You must have the test administrator's permission to leave the room during the test. Any time lost cannot be made up.
- ▶ You may wish to pace yourself with your own watch, but the administrator is the official timekeeper. You will not be permitted to continue the test or any part of it beyond the established time limit. **Watch alarms and clocks on cell phones or any other electronic or photographic devices are not permitted.**
- ▶ Answers to multiple-choice questions recorded in the test book will not be scored. You may use the test book to work out your answers, but you must mark **all** your answers on the separate answer sheet before time is called.
- ▶ At the conclusion of the test you will be required to return your test book and answer sheet to the test administrator. These materials are the property of ETS.
- ▶ Early departure and sign out is permitted if you finish the test before the last 15 minutes of the test session. After that time, you must remain in the testing room until the end of the session.

Although tests are administered under strict supervision and security measures, testing irregularities may sometimes occur. Please contact ETS as soon as possible to report any observed behavior that may lead to an invalid score—for example, someone copying from another test taker, taking a test for someone else, having access to test questions before the exam, or using notes or unauthorized aids. All information will be held in strictest confidence.

#### DISMISSAL FROM A TEST CENTER

A test administrator is authorized to dismiss you from a test session and/or your scores may be canceled by ETS for actions such as, but not limited to, the following:

- ▶ attempting to take the test for someone else or having someone else take the test for you
- ▶ failing to provide acceptable identification
- ▶ obtaining improper access to the test, a part of the test, or information about the test
- ▶ using or having a telephone, cell phone, BlackBerry® device, PDA, or other electronic or photographic device in your possession at the test center. Possession of or use of such devices at the test center is prohibited and will result in your dismissal from the test center, forfeiture of your test fees, and cancellation of your scores by ETS.
- ▶ using any aids in connection with the test, such as: mechanical pencils, pens, pagers, beepers, calculators, watch calculators, books, pamphlets, notes, rulers, highlighter pens, stereos or radios with headphones, telephones, cell phones, watch alarms (including those with flashing lights or alarm sounds), stop watches, dictionaries, translators, compasses, protractors, rulers, and any hand-held electronic or photographic devices
- ▶ creating a disturbance (Disruptive behavior in any form will not be tolerated. The test administrator and ETS have sole discretion in determining what constitutes disruptive behavior.)
- ▶ attempting to give or receive assistance. Discussion or sharing of test content or answers during the test administration, during breaks, or after the test is prohibited. Communication in any form is not permitted during the test administration.
- ▶ removing or attempting to remove test content from the test center. Under no circumstances may test content or any part of the test content be removed, reproduced, and/or disclosed by any means (e.g., hard copy, verbally, electronically) to any person or entity.
- ▶ bringing a weapon or firearm into the test center
- ▶ bringing food, drink, or tobacco into the testing room
- ▶ leaving the test center vicinity during the test session or during breaks
- ▶ leaving the testing room without permission
- ▶ taking excessive or extended unscheduled breaks during the test session. Test center administrators are required to strictly monitor unscheduled breaks and report test takers who take excessive or extended breaks.
- ▶ referring to, looking through, or working on any test or test section, **when not authorized to do so**, or working after time has been called
- ▶ failing to follow any of the test administration regulations contained in this *Bulletin*, given by the test administrator, or specified in any test materials

## ON THE TEST DAY *(continued)*

ETS reserves the right to take all action—including, but not limited to, barring you from future testing and/or canceling your scores—for failure to comply with test administration regulations or the test administrator’s directions. If your scores are canceled, they will not be reported, and your registration and test fees will not be refunded.

### REGISTERING A COMPLAINT

If you think conditions at the test center were such that you were unable to perform satisfactorily, you may cancel your score(s).

You may also request a retest. However, ETS will investigate before responding to your request. Complaints need to be received in writing no later than 7 business days after the administration. Complaints received after this period will not be accepted. Please see *page 5* for additional information. Also, please note that retests cannot be offered once scores for a specific test date have been reported.

## SCORES & SCORE REPORTS

### Reporting Your Test Scores

If you test in Arkansas, California, Colorado, Connecticut, Delaware, District of Columbia, Georgia, Hawaii, Idaho, Illinois, Indiana, Kansas, Kentucky, Louisiana, Maryland, Missouri, Nebraska, Nevada, New Jersey, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, Virginia, Washington, or West Virginia, a copy of your scores will automatically be sent to that state’s teacher credentialing agency.

For each test date, a copy of your scores will be sent to you and one score recipient.\* For a fee, you can request more than one score recipient. See “Additional Score Reports” under “Scoring Services” on this page. Your scores for a specific test will be sent to a designated recipient only if that school district is eligible to receive those test scores. For exceptions, please see Confidentiality of Information (*page 11*). Score reports will list your current score and highest score earned on each test taken over the last 10 years.

You will receive passing score information on your score report for those score recipients designated on your registration form. If you list a school district as a score recipient, the passing score information you receive will be based on the scores set by the state’s teacher licensing agency in which the institution is located. Passing score information will be provided for the highest score for each test taken and listed on your score report. The passing score information is based on the most recent information *The Praxis Series* program has for each agency, association, or organization. Score recipients you choose on the registration form and the Additional Score Report Request form will receive passing score information that is pertinent only to them. They will not receive passing score information for other agencies, associations, or organizations.

Official score reports will not be released if you have an outstanding balance, which may include an outstanding balance for previous services from *The Praxis Series*.

Scores from the 2009–10 testing year will be available for reporting on Additional Score Reports for 10 years. Test taker background data will be retained for the same time period. Detailed information from current score reports is available for only 3 months after the scores are initially reported.

For more information about your scores, you may download *Understanding Your Praxis Scores* from the ParaPro website at [www.ets.org/parapro](http://www.ets.org/parapro).

\* ETS reserves the right to refrain from sending score reports

(1) to entities that have been found to violate the Guidelines for Proper Use of The Praxis Series and Related Assessments, and

(2) to entities against which complaints of violation have been made pending completion of ETS’s inquiry into the claimed violation(s).

### QUESTIONS THAT DO NOT COUNT TOWARD YOUR SCORE

The test you take may include one or more questions that do not count toward your score. These “pretest questions” are new questions that are being tried out in actual test administrations.

Test takers are not told which questions are in this category, because ETS needs to determine how such questions function under actual testing conditions. Questions that are not scored may appear in some, but not all, ParaPro tests.

### Scoring Services

#### SCORES BY PHONE

**Fee: \$30 per request**

Score reports from the ParaPro Assessment paper-based tests will be mailed to you approximately 4 weeks after your test date. If you want to know your scores sooner, call any time on or after the dates below. Scores are available through this service for tests taken over the past 10 years. Before you call, please have the following information ready:

- ▶ Social Security Number and Candidate ID Number
- ▶ Date of Birth
- ▶ Test Date
- ▶ Valid Credit or Debit Card

TEST DATE	CALL ON OR AFTER
September 12, 2009	October 9, 2009
January 9, 2010	February 5, 2010
June 12, 2010	July 9, 2010
Daily	10 business days following testing

### ADDITIONAL SCORE REPORTS (ASRs)

**Fee: \$40 each**

At your request, ETS will send your scores and reportable background information to additional school districts or agencies for each test taken over the last 10 years. You may complete your request by mail, phone, or fax. To request an ASR by mail or fax, download and complete the Additional Score Report Request form located on the ParaPro website at [www.ets.org/parapro](http://www.ets.org/parapro). Telegram requests will not be processed. ETS will process your score report (indicating only the highest score earned on each test) within 10 working days after your request and payment are received.

When you ask ETS to send additional score reports to school districts or agencies, you automatically authorize ETS to report your highest scores from all tests taken over the past 10 years.

If scores have not been reported from a current administration and you want the school district or agencies listed on your Additional Score Report Request form combined with those listed on your

## SCORES & SCORE REPORTS (continued)

registration form, check the appropriate box on the form. Current and highest scores will then be reported to all recipients requested.

You will automatically receive a copy of your score report confirming that your score report was sent.

### SCORE VERIFICATION SERVICE

#### Fee: \$40

Multiple-choice answer sheets are machine scored, which gives virtually 100 percent accuracy. However, occasionally test takers feel their scores have been reported incorrectly. You may request verification of a multiple-choice test score if you feel the score is in error.

To have your score verified, download and complete the Score Verification Request form from the ParaPro website at [www.ets.org/parapro](http://www.ets.org/parapro) and send it to ETS with the proper fee.

**Your request must be received within 4 months of the test date.**

If there is a change in your reported score, the revised score (which may be higher or lower than your originally reported score) will be reported to you and to the recipients of the original score, and your verification fee will be refunded. Your test books and answer sheets are not available for disclosure. Please note that your score for the assessment will be verified only once.

### Cancellation of Scores by ETS

ETS strives to report scores that accurately reflect the performance of every test taker. Accordingly, ETS's standards and procedures for administering tests have two primary goals: giving test takers equivalent opportunities to demonstrate their abilities, and preventing any test takers from gaining an unfair advantage over others. To promote these objectives, ETS reserves the right to cancel any test score when, in ETS's judgment, a **testing irregularity occurs**, there is an apparent **discrepancy in a test taker's identification**, the test taker engages in **misconduct** or **plagiarism**, or the score is **invalid** for another reason. Reviews of scores by ETS are confidential. When, for any of the above reasons, ETS cancels a test score that has already been reported, it notifies score recipients that the score has been canceled, but it does not disclose the reason for cancellation except when authorized to do so by the test taker, and in certain group cases.

#### Testing Irregularities

"Testing Irregularities" refer to problems with the administration of a test. When testing irregularities occur, they may affect an individual or groups of test takers. Such problems include, without limitation, administrative errors (such as improper timing, improper seating, defective materials, and defective equipment); improper access to test content; and other disruptions of test administrations (such as natural disasters or other emergencies). When testing irregularities occur, ETS may decline to score the test, or cancel the test score. When, in ETS's judgment it is appropriate to do so, ETS gives affected test takers the opportunity to take the test again as soon as possible without charge.

#### Identification Discrepancies

When, in ETS's judgment, or the judgment of test center personnel, there is a discrepancy in a test taker's identification, the test taker may be dismissed from the test center. In addition, ETS may decline to score the test or cancel the test score if the documents completed on test day cannot be authenticated. If test scores are canceled by ETS, the test fees will NOT be refunded.

#### Misconduct

When ETS or test center personnel find that there is misconduct in connection with a test, the test taker may be dismissed from the test center, or ETS may decline to score the test, or cancel the test score. Misconduct includes, but is not limited to, noncompliance with the "Test Center Procedures and Regulations," pages 9–10 of this *Bulletin*. Test takers whose scores are canceled will forfeit their registration and test fees and must pay to take the test again at a future administration.

No record of score cancellations, or the reason for cancellation, will appear on score reports sent to colleges or universities.

#### Invalid Scores

ETS may also cancel scores if, in its judgment, there is substantial evidence that they are invalid for any other reason. Evidence of invalid scores may include, without limitation, discrepant handwriting, unusual answer patterns, and inconsistent performance on different parts of the test. Before canceling scores pursuant to this paragraph, ETS notifies the test taker in writing about its concerns, gives the test taker an opportunity to submit information that addresses ETS's concerns, considers any such information submitted, and offers the test taker a choice of options. The options include voluntary score cancellation, a free retest, or arbitration in accordance with ETS's standard Arbitration Agreement. In addition, the test taker is sent a copy of a booklet, *Why and How Educational Testing Service Questions Test Scores*, which explains this process in greater detail. (This booklet is available to any test taker at any time on request from the ETS Office of Testing Integrity. Call 1-800-353-8570 or e-mail [TSReturns@ets.org](mailto:TSReturns@ets.org).)

**Note: The retest option is available only to test takers in the United States and Canada. The arbitration option is available only for tests administered in the United States.**

### Confidentiality of Information

ETS recognizes your right to control the information about you that is stored by ETS. Its policies are designed to safeguard your information from unauthorized disclosure.

Your score report is intended only for you and for your designated score recipients. However, background information as noted on the registration form is reported to some states and school districts. To protect your right to control the distribution of your scores, reports will be released only at your specific written request and only to ETS-approved score recipients. Every recipient must be specified by you in writing on one of the designated forms or in correspondence. ETS will not release your scores at the request of institutions or agencies except:

- ▶ for use in research studies approved by ETS and that preserve your anonymity
- ▶ when information is required under compulsion of legal processes
- ▶ when a state's central regents office or board of governors requests copies of scores that have been reported to its member institutions
- ▶ when test takers at a regular or special administration have been informed by the test administrator beforehand that their scores will automatically be released to the state or school district
- ▶ when a school district requests scores previously sent to its main office or vice versa

Official score reports for properly designated recipients are sent directly from ETS to ensure the authenticity of the reports. Note that whenever ETS has confirmed that you have submitted a ParaPro Assessment score directly to an educational institution, agency, or district in satisfaction of one of its requirements, ETS will respond to requests for score verification from that recipient.

### Test Takers' Performance Data

Test takers' performance data may be used in analysis samples, score interpretation data, group statistics, and research studies. In each instance, all identifying information will be removed.
