# CROSS ENDORSEMENTS FOR CONNECTICUT EDUCATORS

## **School Library Media Specialist (#062)**

- 30 semester hours of graduate credit in school library media

*Note: Up to 21 graduate credits may be accepted in educational technology or library science. However, at least nine graduate credits must be specific to school-based coursework in such areas as: teaching students, staff, and faculty to utilize media and its accompanying technology by applying valid instructional methods and techniques; application of principles of administration and supervision for effective leadership and operation of the school library media center program; and formulation of the educational specifications and contribution to the design of school library media facilities.*

## **TESOL, PreK-12 (#111)**

- 30 semester hours of credit in TESOL including coursework in each of the following:
  - English syntax and English composition
  - language theory
  - culture and intergroup relations
  - linguistics and academic assessment of limited-English-proficient students
  - curriculum and methods of teaching English as a second language
- Passing score on Praxis II – TESOL (#5362)

Note: A list of [approved courses for TESOL cross-endorsement](#) is available on our website.

## **Technology Education, PreK-12 (#047)**

- 30 semester hours of credit in technology education (i.e. manufacturing, construction, engineering, transportation, communication)
- Passing scores on Praxis II – Technology Education (#5051)

**NOTE: All coursework must result in the award of college-level credit posted to an official transcript from a regionally accredited college or university.**
