

Commissioner Update

October 27, 2008

Dear Connecticut Educator:

I have one item for you in this update.

Data Acquisition Plan Released

The 2008-09 Data Acquisition Plan is now available. This document is prepared to help local school districts plan for the upcoming school year. Information collected through these data-gathering instruments is used to fulfill the Department's reporting requirements under both state and federal statutes, and to assist with the administration of grant programs. To view the Data Acquisition Plan you may click on the link below. Thank you for your continued support and assistance regarding our data-gathering initiatives.
