Using the iPad and iTouch to Support Education within the Classroom

WORKSHOP DETAILS

Date:

October 8, 2010
12:30 pm – 3:30 pm

CEUs 0.3

Location:

CREC Central
111 Charter Oak Avenue
Hartford, CT 06106
Rooms 101 and 102

Workshop Fee: \$50

Take!

Participants will receive an extensive list of applications and resources will be provided.

You've heard about it and you've seen the commercials, but do you wonder how you and your students can use the iPad or the iTouch? If so, this hands on workshop is for you. We will cover a variety of applications that can be used in education for communication, social skills, visuals, reading and writing for children of all ages and abilities.

Free Apps! Many of the apps shown are free or of minimal cost and all apps can be loaded on up to 5 devices without any additional costs. Wireless Internet access is available for participants who would like to bring their own iPads and iTouches.

As a result of this workshop, participants will be able to:

- Learn the basics in using iTouches and iPads
- Learn how to download applications in iTunes
- Learn about applications for communication, reading, writing, social skills and visuals
- Learn about resources available for the use of iPads and iTouches in education

Presenters: Carolann Cormier, MS, CCC-SLP, ATP and Nicole Natale, MS, CCC-SLP, ATP, Special Services Support Team Education Specialists, provide quality training and classroom support to ensure the success of students with disabilities.

Suggested Participants: General and special education teachers, related service professionals, paraprofessionals and parents working with students age 3 – 21 in the educational setting.
