DESCRIPTION

Our Schoolwide Enrichment mission statement reads: The Mission of the Schoolwide Enrichment Model at Elmer Thienes-Mary Hall Elementary School is to involve the educational community in the development of the talents of all children. Through a variety of activities and experiences, our children will become independent thinkers and productive learners, thus contributing to a global society. This model will encompass a commitment to academics, the arts, democracy, and world language.

Marlborough Elementary School has a Schoolwide Enrichment Program in place. We have a full-time coordinator who works with students and teachers K-6. She works with teachers and volunteers to provide enrichment and acceleration options for students K-3. Identification takes place mid-year in grade 3.

Identified students and eager learners in grades 4, 5 and 6 partake in Future Problem Solving, Community Problem Solving and/or other individual investigations.

DESCRIPTION

Continued from Page 1 of 2

We provide many schoolwide options: Schoolwide Enrichment Clusters, Invention Convention, Recycling/Environmental Club, Multi-Cultural Club, Student Literacy Board, Student Council (before school), Art Classes (after school), Geography Bee, Spelling Bee, Rhyme Celebration, Multi Cultural Night and the Invention Convention.

Some of our students are involved in Camp Paesano in the summer for two weeks with Italian being the language focus.

Residential artists are brought in to work with our sister school connections at various grade levels.

The PTO provides funds to enrich our curriculum schoolwide. An artist in residence is brought in to enhance our theme and various programs are provided for the students at all grade levels.

The staff has been trained in Talents Unlimited for two years and is using it in their classrooms.

The Schoolwide Enrichment Coordinator teaches problem solving in each classroom, grades 1-6.

A parent teacher advisory committee for gifted and talented students was started east of the Connecticut River this year, involving Marlborough parents and teachers.
