<b>DESCRIPTION</b>	Orange Public Schools has a Schoolwide Enrichment Program which services grades K-6. There are three components making up the LEAP Program -- Talent Pool Classes, Small Group, and Whole Class lessons. Small Group lessons may entail activities such as Readers' Theater, Creative Writing or Math Challenge. Whole Class enrichment involves the LEAP teacher and classroom teacher collaborating together in team-teaching enrichment lessons which may be integrated within the curriculum. Talent Pool includes identified gifted students, grades 4, 5 and 6 who demonstrate above-average abilities, task commitment, motivation and creativity. These students meet with the LEAP teacher 1.5 hours per week.
