**DESCRIPTION**

At Essex Elementary School, gifted and talented students are served through our school-wide enrichment model. Instruction is differentiated for students according to their abilities and particular interests. Students' special talents and interests are also supported through small group instruction and community-based mentors. For example, students with notable talent in music may participate in our before school band or choral program.

**DESCRIPTION**

Chester has a modified school-wide enrichment program with a resource teacher. Students in grades 3-6 work on Total Talent Portfolios. The program is infused with Talents Unlimited thinking skills and Multiple Intelligences serving as the basis for recognizing and developing the gifts and strengths in all students. Opportunities such as Odyssey of the Mind, mini-courses, focus groups, etc., are offered to develop students' interests. In-classroom support for high-end learners is provided where applicable.
