DESCRIPTION

Ashford has an enrichment program that services grades 1 through 8. The Enrichment Coordinator offers teachers support for classroom differentiation.

Students in grades 1-5 receive weekly, whole class enrichment.

Students in grades 4 and 5 have the opportunity to participate in individual investigations.

Students in grades 2 through 6 have the option in participating in various multi-grade level events including: Science Night/Invention Convention, Family Math Night, Enrichment Clusters, and Colonial Day.

Grade 6 has the option of participating in the Future Problem Solving. Selected students in grades 7 and 8 participate in an Interest based program. There is one .8 Enrichment Coordinator.
