

GOING TO THE FAIR

Leon is going to the fair. He has \$15 to spend. He would like help deciding how to best spend his money.

rides	\$1.50
beverages	\$1.00
games	25¢
food	\$2.25

Your assignment: Make a plan for how to spend \$15 at the fair. Provide a name for each ride, game, or food you choose. Write an explanation for why you made the choices you did.
