

COMPARING QUANTITIES

A car dealer orders sedans and SUVs based on what colors her customers usually buy.

	Sedans	
Green		
White		
Black		
Red		
Total	32	16

Ways to Write	S to	Compare Red Sedans to White Sedans (part to part)	Sedans to SUVs	Compare Sedans to SUVs (all to all)
Use to	8 to 32	8 to 10	8 to 4	32 to 16

Write the ratios that show other comparisons of the cars and tell what they mean.
