**T-SHIRT DESIGN**

The design below, including the 10 by 10 grid, is going to be used on a math team T-shirt. You accidentally took the original design home, and your friend, Chris, needs it tonight. Chris has no fax machine, but has a 10 by 10 grid just like yours. You must call Chris on the telephone and tell him very precisely how to draw the design on his grid. Prepare for the phone call by writing out directions clearly, ready to read over the phone.
