I. UPDATE: School Boundary Data

The following revisions must be noted for the current school boundary list *-List of Area Eligible Elementary Schools-October 2002 Data*.

Waterbury: East Farms School name has been changed to Margaret M. Generali. All other information remains unchanged.

Bridgeport/Stratford: Memorandum #7H-03 (dated March 3, 2003) indicated that children residing on Kathryn Drive in Bridgeport are assigned to Center School in Stratford. This issue has been resolved.
Kathryn Drive is assigned to Thomas Hooker School; therefore, day care providers residing on this street are Tier I school qualified.

Please add this information to your school boundary data file for Bridgeport, Stratford, and Waterbury.

II. Pamphlet for Potential Providers

Enclosed are camera-ready copies of a pamphlet developed by the US Department of Agriculture. This pamphlet can be used in recruiting potential providers; it is short and very easy to read. Pamphlets are available in various languages in addition to English. Child Nutrition has the English version in electronic format and will forward via email to all sponsors.

If you have any questions regarding the issues addressed, please feel free to contact Charlene Russell-Tucker at 860-807-2071, or Susan Bohuslaw at 860-807-2073.
