SUBJECT: Operational Memorandum #08C-09
CACFP Application Renewals – Fiscal Year 2009-10

Child and Adult Care Food Program (CACFP) application renewals for fiscal year 2009-10 will be submitted electronically using the online application and claiming system for Child Nutrition Programs (CNP System). The CACFP claim preparer in each organization was previously provided with a unique USER ID and PASSWORD that allows access to the system, as well as a detailed instruction manual for use in the CACFP online application renewal process. It is strongly recommended that all claim preparers review the instruction manual *prior* to using the online system, in order to become familiar with the process. **Note that only those individuals who are designated as claim preparers will be able to update CACFP online application renewal materials;** authorized signers have been assigned access to view sponsor application information and submit monthly claims for reimbursement.

The deadline for submission of all online application renewal materials (Sponsor Application, Site Application(s), Center Budget and Management Plan) is **September 30, 2009**. In addition, each institution must complete the enclosed *CACFP Application Renewal Checklist* and return it, as well as any other required application renewal materials, to the Child Nutrition Unit by the established deadline. The *CACFP Application Renewal Checklist* can also be found as Appendix A-5 of the application renewal instruction manual and is an integral part of the fiscal year 2009-10 CACFP application renewal process. This form must be submitted in order for an institution's online application to be considered complete.

Please note that ALL required CACFP online application renewal information must be approved by the Child Nutrition Unit before an institution will be allowed to file reimbursement claims for fiscal year 2009-10, which begins on October 1, 2009. Participating institutions that fail to adhere to the established filing deadline may jeopardize future CACFP reimbursements and/or participation in the Program.
