TO: Potential 2008 Summer Food Service Program Sponsors

SUBJECT: OPERATIONAL MEMORANDUM - #01-08 - SFSP
Interest Survey for 2008 Summer Food Service Program

In order to plan implementation of the Summer Food Service Program (SFSP) in 2008, the Child Nutrition Unit is requesting that all sponsors who participated in the SFSP in the previous year and any prospective organizations indicate their interest in sponsoring the program.

In the summer of 2007, the SFSP had a modest increase from the previous summer. The following table shows the number of meals and children who participated in all types of summer feeding programs including traditional, seamless and summer school. The average daily participation, total meals served and total sites served all increased.

Average Daily Participation:	28,197	[2% increase from 2006]
Total Number Meals Served:	1,244,139	[3% increase from 2006]
Total Number Sites Served:	405	[6% increase from 2006]

The Department hopes that a similar or larger increase will occur in 2008. As you plan for the SFSP in 2008, consider how you can expand so that additional needy children can be fed. Examples include beginning the SFSP soon after the summer vacation begins, continuing later into the summer, opening more sites and increasing outreach efforts to children. Remember, *Hunger Does Not Take a Summer Vacation!*

School sponsors continue to be eligible to participate in the Seamless Summer Food Program. Under the Seamless Program, school districts are offered streamlined administrative procedures through reduced paper work. If a school sponsor is interested in changing from participating in the Traditional Summer Food Service Program to the Seamless Summer Food Program in 2008, complete the "School Sponsor Only" section on the "Planning Data" form.

The attached "Planning Data" form is requested of ALL 2007 SFSP sponsors.

The following information must be completed and returned by February 13, 2008:

1. Review the enclosed 2007 site list and document the necessary changes for 2008.
 - A. If the same sites will be served in 2008, indicate tentative dates of operation.
 - B. If sites will be deleted in 2008, indicate by placing a line through the site information.
 - C. If new sites will be added in 2008, complete the "Proposed New Site" section of the "Planning Data" form and return with the site listing.
