Summer Food Service Program Questions and Answers

In recent years, there have been significant changes to the Summer Food Service Program (SFSP). The Healthy, Hunger-Free Kids Act of 2010 (Public Law 111-296) made important changes to program eligibility requirements. Additionally, the Food and Nutrition Service improved access to the program by lessening the administrative burden for sponsors, where possible, through a series of national waivers.

As a result, previously issued Questions and Answers have been updated to reflect these program changes, see attachment. Additional “frequently asked questions” have been added. Those questions, which have been updated or are added are summarized below:

Site Eligibility:

- Revised question number 2 and added question number 7

Sponsor or Site Approval:

- Added questions number 2, 3, 5-8, revised question number 4

Financial Management:

- Revised question number 2, 9, 10, 11, 12 and 13, added questions number 8 and 14
