

The Connecticut School-Family-Community Partnership

Engaging Families for Student Success

Please join us for two workshops that will boost your school's family involvement.

Both workshops are offered on each of the following dates:

September 19, 22 OR 28, 2011

Crown Plaza Cromwell

Register for one or both of the trainings by September 12, 2011

Choose the morning or afternoon that work best for you!

WORKSHOP 1

How Welcoming Is Your School?

Welcoming Walkthrough Training

9:00 am—12:00 pm

When schools create a welcoming environment, they make families feel like part of the school community and active partners in their children's education.

This half day workshop will incorporate hands on activities using a mock walk through of a school to assess family friendliness. Participants will receive the Walk Through Tool Kit to assess the climate of their school and develop a plan to create a welcoming climate to engage families and the community.

WORKSHOP 2

Dust Off Your Old School-Parent Compact.

Linking Family Engagement to Your
School Improvement Plan

12:30 pm—3:30 pm

This workshop will show you how to engage families, teachers and students in designing a school-parent blueprint for *action* tied to your school improvement plan. Participants will receive sample templates and resources for creating their own School-Parent Compact using a new 10-step process.

Note: This workshop addresses Title I requirements but is relevant to any school that wants to communicate their school improvement plan with families.

Register online by September 12, 2011 for each workshop at www.crec.org/events.php

For assistance please call or email:

Susan Holmes at CREC

860-524-4004

suholmes@crec.org

It is recommended that a team representing school personnel and parents attend this training.

A light breakfast will be served for morning participants.

Lunch will be provided for participants who attend both sessions on the same day.

CEUs will be provided.

The research is clear: Family involvement improves student achievement.
