TAKE THIS STEP-BY-STEP SERIES FOR A SUCCESSFUL SUBMISSION OF YOUR HUSCC APPLICATION!

The Connecticut State Department of Education (CSDE) invites you to participate in a workgroup to help your schools apply for the **USDA's HealthierUS School Challenge (HUSCC)**. The HUSCC recognizes excellence in school nutrition programs that have created healthy school environments through the promotion of nutrition and physical activity. The workgroup, which meets four times, will provide you with the technical assistance, resources and support needed to complete a successful HUSCC application.
