### SMARTER BALANCED ASSESSMENT NEWS

#### Digital Library Upgrades

This weekend, Smarter Balanced will update the Digital Library to add features to the library and to the user registration system. Please be aware of the following:

- The Digital Library will be unavailable from **Friday, September 26, at 8:00 p.m.** to **Monday, September 29, at 9:00 p.m.** The Digital Library will be available again after 9:00 p.m. on Monday, September 29.
- **Existing user accounts will continue to work following the update and users may continue to log in as they have done previously.**
- A new method to add user accounts will be required as a result of the upgrade. Information about providing access to additional users will be communicated next week.

These changes to the Digital Library will provide additional tools for users and will allow districts to add new users and edit user roles with a much more secure and efficient process.
